

David Cook, Permanent

Is this the moment where I look you in the eye?
Forgive my broken promise that you'll never see me cry
And everything, it will surely change
Even if I tell you I won't go away today

Will you think that you're all alone
When no one's there to hold your hand?
All you know seems so far away and everything is temporary, rest your head
I'm permanent

I know he's living in hell every single day
So I ask: oh, God is there some way for me to take his place?
And when they say it's so touch and go,
I wish I could make it go away
But still you say:

Will you think that you're all alone
When no one's there to hold your hand?
When all you know seems so far away and everything is temporary, rest your head
I'm permanent, I'm permanent

Is this the moment where I look you in the eye?
Forgive my promise that you'll never see me cry
