

David Coverdale, Say You Love Me

(Coverdale)

If I could see before my time ends
The smile you gave me before the pain
I could accept the world of darkness
Never see the sun again...

Never ever gonna leave ya,
so dry your eyes and smile again
Say the words I need to hear...
Say you love me, say you love me
Say that you need me,
I can't take it anymore...

But I know I must be strong,
to keep believe in right or wrong...
I've got time but I can't wait too long
wanna get you home where you belong...

Say you love me, say you love me
I can't take it anymore...
Say you love me, baby, baby, baby
Say you love me...
Say that you need me, I can't take it anymore...

Say you love me, say you love me
I can't take it, I can't take it anymore...
Say you love me, oh baby
Say you love me...
Say that you need me, I can't take it anymore...

I can't take it anymore...
