

David Crowder Band, Intoxicating (Pneumatic Mix)

Intoxicating You are to me
Illuminating You are to see
Truly breathtaking You are to breathe
Sending my head swimming You are, You see

And Ive lost my mind, Im sure Ill find
Need to apologize for my
Lack of inhibition, for my belligerent condition
But with You this near Im dizzy

Intoxicating You are to me
Completely captivating to see
Sending my world spinning You are, You see

And now I find a blurry line
Here between You and I
Raise the cup, drink til Im full
Sing til I cant til my voice is gone
And my head is spinning

La, la dee da
La dee da, dee da
Dee da da da
Hey la, la dee da
La dee da, dee da
Dee da da da

Illuminating You are to see
Truly breathtaking You are to breathe
Sending my head swimming You are, You see

And now I find a blurry line
Here between You and I
Raise the cup, drink til Im full
Sing til I cant til my voice is gone
And my head is spinning dizzy

If Im out of my mind its You, You
Cause Im crazy in love with You, You
Inebriated by You, You
Cause Im head over heels for You, You
