

# David Crowder Band, O God Where Are You Now

O God, hold me now  
O Lord, hold me now  
There's no other man who could raise the dead  
So do what You can to anoint my head  
O God, where are you now?  
O Lord, say somehow

Da da da, da da da

O God, hold me now  
O God, touch me now  
There's no other man who could save the day  
There's no other god who could raise the dead
