

David Crowder Band, Oh The Glory Of It All

At the start, He was there, He was there
In the end, He'll be there, He'll be there
After All, our hands have wrought, He forgives

Oh the glory of it all, is He came here
For the rescue of us all, that we may live
For the glory of it all, For the glory of it all

All is lost, find Him there, find Him there
After night, dawn is there, dawn is there
After all, falls apart, He repairs, He repairs

Oh the glory of it all, is He came here
For the rescue of us all, that we may live
For the glory of it all, oh He is here
Redemption from the fall, that we may live
For the glory of it all, oh the glory of it all
The glory of it all, oh the glory of it all

After night, comes a light, dawn is here, dawn is here
It's a new day, It's a new day,
Everything will change, things will never be the same
We will never be the same, We will never be the same
We will never be the same, We will never be the same

Oh the glory of it all, is You came here
For the rescue of us all, that we may live
For the glory of it all, oh You are here
With redemption for us all, that we may live
For the glory of it all, oh the glory of it all
The glory of it all, oh the glory of it all

Everything will change, Things will never be the same
We will never be the same, We will never be the same
We will never be the same, We will never be the same
We will never be the same, We will never be the same
