

David Fly, In your arms

1. In this world, I feel like a little mouse
Chasing cheese
But it's all right!
I walk along streets where people curse
Seeing me
But it's all right!
Living like a freak still on the edge
I'm losing my mind
But it's all right!
I don't have a home, just an empty house
I sleep alone
But it's all right!

ref:

When I'm fallin baby, runnin' into your presense
when I'm fallin baby, into yours arms
When I'm fallin baby, I leave this world behind
when I'm fallin baby, into yours arms

2. I'm not able eat, I'm not able sleep
my mind is gone
But it's all right!
I'm still waiting for you, I can not stand it
Countin' down the time
But it's all right!
I don't have friends they ran away
No one left
But it's all right!
I dont have a home, just an empty house
I sleep alone
But it's all right!
