

# David Gilmour, The Blue

Shameless sea  
Aimlessly so blue  
Midnight-moon shines for you

Still, marooned  
Silence drifting through  
Nowhere to choose  
Just blue...

Ceaselessly  
Star-crossed you and me  
Save our souls  
We'll be forever blue

Waves roll  
Lift us in blue  
Drift us  
Seep right through  
And colour us blue

Wait for me  
Shameless you, the sea  
Soon, the Blue  
So soon...
