

# David Gray, Lorelei

At the Lorelei  
Sing it sweet for me tonight  
All my dreams to long tonight  
If only i could be the one  
Hold on tight I need ya son  
Wouldn't even fire the gun  
If only I could be

Tie your heart and soul  
To the lightning pole  
Still it ain't no guarantee  
In the firing line  
Find your eyes aren't blind Pretty soon i'm free

At the Lorelei  
Sing it sweet for me tonight  
All my dreams to long tonight  
If only i could be the one  
Oh my god I need ya son  
I won't ever let ya down  
If only It could be

Through the carnage thorn  
With your face like stone  
Till there ain't no dignity  
Pretty soon i'm free

At the Lorelei  
Sing it sweet for me tonight  
All my dreams to long denied  
If only i could be the way  
Say those things we used to say  
Sometime was back yesterday  
If only It could be

If only It could be  
If only It could be
