David Gray, Please Forgive Me

Please forgive me
If I act alittle strange
For I know not what I do.
Feels like lightning running through my veins
Everytime I look at you
Everytime I look at you

Help me out here All my words are falling short And there's so much I want to say Want to tell you just how good it feels When you look at me that way When you look at me that way

Throw a stone and watch the ripples flow Moving out across the bay Like a stone I fall into your eyes Deep into some mystery Deep into that mystery

I got half a mind to scream out loud
I got half a mind to die
So I won't ever have to lose you girl
Won't ever have to say goodbye
I won't ever have to lie
Won't ever have to say goodbye

Yeah na na na na Yeah na na na na

Please forgive me
If I act alittle strange
For I know not what I do
It's like my head is filled with lightning girl
Everytime I look at you
Everytime I look at you
Everytime I look at you
Everytime I look at you
