

# David Gray, The Other Side

Meet me on the other side  
Meet me on the other side  
Ill see you on the other side  
See you on the other side  
Honey now if Im honest  
I still dont know what love is  
Another mirage folds into the haze of time recalled  
And now the floodgates cannot hold  
All my sorrow all my rage  
A tear that falls on every page  
Meet me on the other side  
Meet me on the other side  
Maybe I oughta mention  
Was never my intention  
To harm you or your kin  
Are you so scared to look within  
The ghosts are crawling on our skin  
We may race and we may run  
Well not undo what has been done  
Or change the moment when its gone  
Meet me on the other side  
Meet me on the other side  
Ill see you on the other side  
Ill see you on the other side  
I know it would be outrageous  
To come on all courageous  
And offer you my hand  
To pull you up on to dry land  
When all I got is sinking sand  
The trick aint worth the time it buys  
Im sick of hearing my own lies  
And loves a raven when it flies  
Meet me on the other side  
Meet me on the other side  
Ill see you on the other side  
Honey now if Im honest  
I still dont know what love is
