

# David Gray, Tired Of Me

I dont know where you're goin  
But it seems like a mighty long way now  
I dont know where you're goin  
But it seems like a mighty long time  
Since I've seen you're face  
So I'm dreamin, I'm dreamin that day now  
To see you comin honey neath that sunny sky

Everywhere I go and everything I do and I say now  
Nothing ringin true it doesnt matter how hard that I try  
Cause all I want is you so im wishing, I'm wishing I pray now  
To see you comin honey neath that sunny sky

[Chorus:]  
Everynight when i go out  
Get drunk till I fall down  
Bury my head I don't want to see  
That i'm gettin nowhere  
And time is draggen so slowly  
So tired now, honey  
So tired of me  
Oh, so tired of me

I dont need you to say you will stay with me baby forever  
I dont need you to tell me your heart and your soul are all mine  
Its okay with me you can smile and say nothin whatever  
I see you smiling honey I'll be doin fine

[Repeat Chorus]
