

David Guetta & Chris Willis, Gettin Over You

[Fergie]

All the things I know right now
If I only knew back then
There's no gettin' over
No gettin over'
There's just no getting over you.

[Chris Willis]

Wish I could spin my world into reverse,
Just to have you back again
There's no gettin' over
There's no gettin' over
There's just no gettin' over you (you)!

[LMFAO]

We're back
Hey hey I cant forget you baby
I think about you everyday
I tried to mascarate the pain
Thats why im next on the booth
D-d-d dance to the groove
There is no there is no getting over you.
Baby it feels so right
To dance to the beat up night
The heat between you and I retreat to the morning light
We like to live like class
And pour them shots up in the glass
But there is no,there is no getting over you.
I'm a party, and party and party and party...
And party and party and party...
I'm a party, and party, and party. and party...
And party, and party, and party...

[Fergie]

All the things I know right now
If I only knew back then
There's no gettin' over
No gettin over'
There's just no getting over you.

[Chris Willis]

Wish I could spin my world into reverse,
Just to have you back again
There's no gettin' over
There's no gettin' over
There's just no gettin' over you (you)!

[LMFAO]

I'm a party, and party and party and party...
And party and party and party...
I'm a party, and party and party and party...
And party and party and party...

[Fergie]

People in the place
If you ever felt love
Then you know (x2) what I'm talking about
There is no getting over
Aaaaaahhhhhh

[LMFAO]

I'm a party, and party and party and party...
And party and party and party...
I'm a party, and party and party and party...

And party and party and party...
it just no getting over you
