## David Guetta, Time

Intro

I spy a girl with a book in hand Playing games with her body to forget about a man I spy a man with a book in hand He's abusin everybody would agree that he can

Is it working? Is it working for you? Is it worth it? Hide the eyes from the truth

I spy a girl with a falling man Working nights, sleeping days to forget about the past I spy a man with a twisted plan Playing love with his body to escape the pain

Is it working? Is it working for you? Wooo is it worth it? Hide the eyes from the truth

Maybe time, can Fill the empty heart inside Maybe time, can Wipe the tears away Maybe time echo Fill the empty heart inside Maybe time (maybe time) can, Wipe the tears away
