

David Houston, If I Had My Way

If I had my way forever there'd be a garden of roses for you and for me
A million and one things dear I would do just for you just for you
And if I had my way we'd never grow old sunshine I'd bring you every day
You'd reign all alone like a queen on a throne if I had my way
(If I had my way forever there'd be a garden of roses for you and for me
A million and one things I would do) just for you just for you
And if I had my way we'd never grow old...
If I had my way
