

David Houston, Misty Blue

Oh it's been such a long long time looks like I'd get you off my mind
Oh but I can't just the thought of you turns my whole world a misty blue

Just the mention of your name turns the flicker to a flame
I think of things we used to do then my whole world turns misty blue
I should forget you heaven knows I've tried
But when I say I'm glad we're through my heart knows I lie
Oh it's been such a long long time...
Oh but I can't just the thought of you turns my whole world a misty blue
