

David Phelps, Break Free

Forget what youve heard about Jesus
If it doesnt begin and end with love.
Did you know that you are the reason
He decided that He had to come?
He doesnt care about whats in your past
So whatever it is thats holding you back.

Chorus

Break free, break free
Loose the chains that have held you tight.
Break free, break free
Cleanse all your shame in loves healing tide
Of mercy, sweet mercy, break free.

There is no law that can save us.
No way to find redemption on our own.
Jesus stepped in and forgave us.
So no one has the right to throw a stone.
Release the guilt youve been holding inside.
Step out of the darkness and into the light.

Chorus

There is a pardon when all hope is gone
And freedom from everything youve done wrong.

Chorus

Break free from the chains that bind you.
Break free, leave them all behind you.
Break free, let the love of Jesus find you.

(Repeat)
