

David Phelps, Just As I Am

Dear Lord, Im on my knees again.
I come to You because You understand.
Ive tried so hard, but I just cant change myself
Thats why I know I need Your help.

Chorus

So here I am
This in my plea
My only hope is Your love for me.
Im reaching out
So desperately
Come take my hand; take all of me.
Just as I am.

Oh Lord, You make whats broken new.
Why cant I just learn to follow You?
I want to know You and feel You in my soul.
I surrender all control.

Chorus

I am not afraid to follow You where You lead me.
I can leave the past behind me.
Im forgiven and Im free.
