

# David Phelps, Just As I Am

Dear Lord, Im on my knees again.  
I come to You because You understand.  
Ive tried so hard, but I just cant change myself  
Thats why I know I need Your help.

Chorus

So here I am  
This in my plea  
My only hope is Your love for me.  
Im reaching out  
So desperately  
Come take my hand; take all of me.  
Just as I am.

Oh Lord, You make whats broken new.  
Why cant I just learn to follow You?  
I want to know You and feel You in my soul.  
I surrender all control.

Chorus

I am not afraid to follow You where You lead me.  
I can leave the past behind me.  
Im forgiven and Im free.
