

# David Phelps, Perdoname Dios (Pardon Me God)

God in Heaven hear my prayer  
For the suffering here below  
Of the innocent and pure  
And the many without hope.

I am just a simple man  
Still believing in a dream  
Of a world that's ruled by love  
Only You can intervene.

Chorus

Perdoname Dios  
Do You hear my cry?  
Perdoname Dios  
Can I ask You why  
This world's cruel injustice never seems to cease?  
With pity and mercy, heed this prayer for peace.  
Perdoname, Perdoname  
Perdoname Dios.

I see love in many things  
In the mountains and the sky  
In a flower as it blooms  
In a newborn baby's cry.

But there are also broken hearts,  
Warring nations, ruined lands,  
Desperate families torn apart.  
Lord, help me to understand.

Chorus

Oh Lord, we need Your light to see us through  
So let it shine so brightly that it leads us back to You.
