

Db Boulevard, Will Young - Evergreen

Eyes, like a sunrise
Like a rainfall down my soul
And I wonder,
I wonder why you look at me like that
What you're thinking, what's behind
Don't tell me, but it feels like love

I'm gonna take this moment
And make it last forever
I'm gonna give my heart away
And pray it will stay together
Cause you're the one good reason
You're the only girl that I need
Cause you're more beautiful than I have ever seen
I'm gonna take this night and make it Evergreen

Touch, like an angel
Like velvet to my skin
And I wonder, I wonder why you wanna stay the night
What you're dreaming, what's behind
Don't tell me but it feels like love

I'm gonna take this moment
And make it last forever
I'm gonna give my heart away
And pray it will stay together
Cause you're the one good reason
You're the only girl that I need
Cause you're more beautiful than I have ever seen
I'm gonna take this night and make it Evergreen

We could make it last forever more
Don't tell me but it feels like love

I'm gonna take this moment
And make it last forever
I'm gonna give my heart away
And pray it will stay together
Cause you're the one good reason
You're the only girl that I need
Cause you're more beautiful than I have ever seen

I'm gonna take this moment
Make it last forever
I'm gonna give you my heart away
And pray it will stay together
'Cause you're the one good reason
You're the only girl that I need
'Cause you're more beautiful than I have ever seen
I'm gonna take this night and make it Evergreen

And make it Evergreen
