

DBSK, Incomplete

Ooh
Oh yeah yeah
Listen
Bright lights
Fancy restaurants
Everything in this world that a man could want
Got a bank account bigger than the law should allow
Still I'm lonely now
Pretty faces from the covers of the magazines
From their covers to my covers wanna lay with me
Fame and fortune still can't find
Just a grown man running out of time
Even though it seems I have everything
I don't wanna be a lonely fool
All of the women
All the expensive cars
All of the money don't amount to you
I can make believe I have everything
But I can't pretend that I don't see
That without you girl my life is incomplete
Said without you girl ahh
Listen
Your perfume
Your sexy lingerie
Girl I remember it just like it was on yesterday
A Thursday you told me you had fallen in love
I wasn't sure that I was
It's been a year
Winter summer spring and fall
But being without you just ain't living ain't nothing at all
If I could travel back in time
I'd relive the days you were mine
Even though it seems I have everything
I don't wanna be a lonely fool
All of the women
All the expensive cars
All of the money don't amount to you
I can make believe I have everything
But I can't pretend that I don't see
That without you girl my life is incomplete
Oh yeah that without you girl ahh
I just can't help loving you
But I loved you much too late
I'd give anything
And everything
To hear you say
That you'll stay
Even though it seems I have everything
I don't wanna be a lonely fool
All of the women
All the expensive cars
All of the money don't amount to you
I can make believe I have everything
But I can't pretend that I don't see
That without you girl my life is incomplete
Even though it seems I have everything
I don't wanna be a lonely fool
All of the women
All the expensive cars
All of the money don't amount to you
I can make believe I have everything
But I can't pretend that I don't see
That without you girl my life is incomplete
Without ya girl

Without ya girl my life
Without you girl
My life my life is incomplete
Without you girl
My life is incomplete
Oh yeah
My life is incomplete
Oh yeah yeah
Whoo
