

De Heideroosjes, One Way Ticket

Life's just a one way ticket
But your destination is unknown
Some pay the full ride but just get
A journey ending in the very first zone
They fight, hard, long but lose
Life may ignore the route you choose
They fight, hard, long but lose
Invalid tickets aren't of any use

Life's just a one way ticket
Which means there's no return
The road of life knows so many stops
But it's for sure you'll rot away or burn
Have fun, drink, fuck and die
From dust to dust, we're all passing by
Have fun, drink, fuck and die
In the blink of an eye, we're all passing by

It's just a one way ticket
A one way ticket after all
It's just a one way ticket
A one way ticket and that's all
