

De Heideroosjes, Who's There For Me

I walk in the streets and there is no one there
I hear a voice and there is no one there
I see a market square but no one is there
I reach a hand out but no one is there
No one is there for me [2x]

People got killed and i don't care
This world is dying but i don't care
I know they hate me and i don't care
I close my eyes and i don't care
Because no one cares about me [2x]
