

De/Vision, What It Feels Like

I can't believe we can't be friends I can't believe
Is it the beginning is it the end I cannot tell
Everybody needs a helping hand
In a hostile environment
Are you the cause or an effect
Plaything of a god you don't respect

Big talk Small talk
I can't tell you what it means to be
What it feels like to be me
Big talk Small talk
Piss on everyone you love and you'll see
What it feels like to be me

We can foes we can be friends Stop to pretend
Is this my doom or a wishing well I just can't tell
I hear your voice shouting out loud
Why stick it in? To pull it out
Got a lot to say but don't give me a reason to stay

Big talk Small talk
I can't tell you what it means to be
What it feels like to be me
Big talk Small talk
Piss on everyone you love
And you might know what it means to be
What it feels like to be me
