Dead Can Dance, Song Of The Stars

We are the stars which sing
We sing with our light;
We are the birds of fire,
We fly over the sky.
Our light is a voice;
We make a road for the spirit to pass over

Oute, ba mwen son ou,e, Oute, ba mwen son ou,e, Tanbouye, o ba mwen son ou, Soley leve. Oute, give me your sound, Oute, give me your sound, Drummer, give me your sound, The sun rises.
