

Dead Infection, Deformed Creature

[Music: Tocha / Lyric: Cyjan]

Creature deformed beyond belief
Not to be saved even by surgical sutures.
Face making your mouth fulfill with vomit,
Composhion mixed horrible shock.
Undeveloped limbs throwing the witness
Into convulsions.
Brown ulcers that can be removed
Together with skin.
Jaw stricking out far enough to cover blue lips.
It's surprise for surgeons,
A rare loathsome shape,
Epidermis excition with no hope.
