

# Dead Kennedys, I Fought The Law (And I Won)

Drinkin' beer in the hot sun  
I fought the law and I won  
I needed sex and I got mine  
I fought the law and I won

The law don't mean shit if you've got the right friends  
That's how this country's run  
Twinkies are the best friend I've ever had  
I fought the law  
And I won

I blew George & Harvey's brains out with my six-gun  
I fought the law and I won  
Gonna write my book and make a million  
I fought the law and I won  
I'm the new folk hero of the Ku Klux Klan  
My cop friends think that's fine  
You can get away with murder if you've got a badge  
I fought the law  
And I won  
I am the law  
So I won
