## Dead Kennedys, Pull My Strings

I'm tired of self respect I can't afford a car I wanna be a prefab superstar

I wanna be a tool Don't need no soul Wanna make big money Playing rock and roll

I'll make my music boring
I'll play my music slow
I ain't no artist, I'm a business man
No ideas of my own

I won't offend Or rock the boat Just sex and drugs And rock and roll

Drool, drool, drool, drool, drool My Payola! Drool, drool, drool, drool, drool My Payola!

You'll pay ten bucks to see me On a fifteen foot high stage Fatass bouncers kick the shit Out of kids who try to dance

If my friends say I've lost my guts I'll laugh and say That's rock and roll

But there's just one problem

Chorus
Is my cock big enough
Is my brain small enough
For you to make me a star
Give me a toot, I'll sell you my soul
Pull my strings and I'll go far

And when I'm rich And meet Bob Hope We'll shoot some golf And shoot some dope

Is my cock big enough? Is my brain small enough? Repeat chorus, etc. etc
