

Dead Milkmen, Filet of Sole

filet of sole baby
it's my favourite dish
filet of sole baby
[unclear - something fish?]
oh i lose control
when you serve filet of sole

yeah you're cooking baby
it smells just right
yeah you're cooking baby
i've got an appetite
oh i lose control
when you serve filet of sole

a little bit of sole and i'm feeling fine
a little bit of sole and i lose my mind
oh! doing fine
losing my mind

filet of sole baby
yeah feeling fine
filet of sole baby
we're gonna dine
oh i lose control
when you serve filet of sole

oh baby i love the stuff you cook
baby i love the way you look
waoh! the way you look
waoh! the stuff you cook
filet of sole baby
it's my favourite dish
filet of sole baby
[the dish is fish?]
oh i lose control
when you serve filet of sole
