

Dead Milkmen, Two Feet Off the Ground

Illusions are real
So just feel the way you feel
It's time to unwind
Well just relax, you'll feel fine

Light up a smoke (do do do do do)
Cause life is no joke (do do do do do)
Shake your head and hear the sound
Take another look around
Nothing's lost that isn't found
You're just two feet off the ground

Green army men
They're comin' in from the sky
Let's take a trip through the bakery and
Tell us what you can't see and

Light up a smoke (do do do do do)
Cause life is no joke (do do do do do)
Shake your head and here the sound
Take another look around
Nothing's lost that isn't found
You're just two feet off the ground
(x2)

Repeat and vary ad nauseum.
