## Dead Moon, Evil Eye

I am so bad because of you There ain't nothing that I won't do I'll buy you clothes and ruby rings But it takes money to get those things

So I lie and I cheat I rob and I steal I try to hate you woman, but I never will Love won't die, no matter how hard I try My woman's got an evil eye

I am so weak, I must admit Got love bad but I can't quit Bought you a Cadillac with all the frills I bought you that, you want more still

Work all day, work all night Oh, little baby, you trest me right Bought you a house high on the hill I bought you that, you want more still
