

# Dead World, Kill

He's just a face in the crowd, a nondescript man, a dim witted mouthful of lies.  
Football on the TV, beer in the hand, the extent of his rational depth.  
He's a god fearing man, a wife beating fuck, a vacuous flag waving fool.  
Rip out his heart, feed him his dick, gut him like a hamstrung deer,  
Kill, kill that man...
