

# Deadman, Adios Mi Corazon

she told me she was going to leave me  
she said "there's not a thing you can do"  
"i warned you" she said "but lover you take no heed  
how long does it take for you to realise exactly what i need?"  
i said "hey darling you're crazy  
i know nothing more that can be done"  
but before i could finish my sentence  
she was gone like a vapour  
adios mi corazon  
and now i stand here broken hearted  
with a soul that is battered and bruised  
i knew this would happen but i just didn't think she would go  
and now i'm haunted by regrets i can never let show  
i'm left with her scent on my pillow  
a ghost with a record i play  
and when i see here in yellow  
i stop and i turn  
adios mi corazon  
i can't seem to get to the level  
i can't seem to reach her by phone  
i don't know if she's angel or devil  
but one thing's for sure  
adios mi corazon
