

Deadsy, Just Like Heaven

"Show me, show me, show me how you do that trick,
The one that makes me scream" she says,
"The one that makes me laugh" she says,
And threw her arms around my neck
"Show me how you do it,
And I promise you I promise that,
I'll run away with you,
I'll run away with you"
Spinning off that dizzy edge
I kissed her face and kissed her head
And dreamed of all the different ways I had
To make her glow
"Why are you so far away?" she says,
"Why won't you ever know that I'm in love with you,
That I'm in love with you"

You
Soft and only
You
Lost and lonely
You
Strange as angels
Dancing in the deepest oceans
Twisting in the water
You're just like a dream...
You're just like a dream...

Daylight licked me into shape,
I must have been asleep for days,
And moving lips to breathe her name,
I opened up my eyes
Found myself alone, alone,
Alone and by the raging sea,
That stole the only girl I loved,
Drowned her deep inside of me

You...
Soft and only,
You...
Lost and lonely,
You...
Just like heaven...
