## Dean Friedman, Special Effects

by Dean Friedman

Special effects drive me right up the wall. I can't reason at all with your special effects.

Special effects, oh, they turn me around, I can't locate the ground with your special effects.

You turn your power on me I can hardly see. My senses reel and whirl, I never want to be without your

Special effects, oh, they take my breath away, I can't tell night from day with your special effects,

Special effects. Special effects. Special effects
