

# Dean Martin, Long Long Ago

(with Nat King Cole)

{N}Long long ago

{B}Long long ago

{B}Long long ago

{D}Well they say it was better in oh so many ways

{B}Long long ago, long ago

{B}They couldn't go to a movie show, listen to the radio, go for a ride in a car

{N}And on a very cold and wintery night

{N}They couldn't sit and watch a TV fight

{B}And when the summer came

{B}They will have to take a dame all bundled up to the beach

{D}They didn't know a girl could look so cute

{D}In a bikini suit

{N}Oh how they sing of the good, good old days

{B}Long long ago

{B}Long long ago

{D}They couldn't swing in the good old days

{B}Long long ago, long ago

{At same time}

{N}They couldn't go to a movie show, listen to the radio, go for a ride in a car

{D}But they still talk of the good, good old days

{N}And on a very cold and wintery night

{D}Long long ago

{N}They couldn't sit and watch a TV fight

{D}Long long ago

{N}So when people say to me "nothings like it used to be"

{N}I don't believe that it's so

{D}They say it was better in so many ways

{N}They didn't have so much to brag about

{D}Long long ago, long ago

{N}Long long ago

{B}Long long ago

{B}Long long ago

{D}=Dean, {N}=Nat, {B}=both
