

# Dean Martin, Love Me, My Love

Love me, my love  
And say you're mine  
Kiss me and hold me tight  
Let's make the most of tonight

Tell me, my love  
In words divine  
That we will never part  
Stay very close to my heart

No sweeter bliss  
No more than this  
Could I ever know  
Your tenderness, your sweet caress  
How it thrills me so  
Give me your love  
Your heart and soul  
Take me to heaven above  
And say you love me, my love

(No sweeter bliss)  
(No more than this)  
Could I ever know  
(Your tenderness, your sweet caress)  
How it thrills me so  
Give me your love  
Your heart and soul  
Take me to heaven above  
And say you love me my love  
Love me, my love  
Love me, my love
