

Dean Martin, Sleepy Time Girl

SLEEPY TIME GIRL.

Sleepy time girl you're turning night into day
Sleepy time girl you've danced the evening away
Before each silvery star fades out of sight
Please give me one little kiss
Then let us whisper goodnight
It's getting late and dear you're pillows waiting

Sleepy time girl when all your dancing is through
Sleepy time girl I'll find a cottage for you
You'll learn to cook and sew
What's more..you'll love it I know
When you're a stay at home
Play at home
Eight o'clock sleepy time girl.
