

Dean Strickland, You're Almost Dead

You're almost dead
You're almost dead
You're almost dead
You're almost dead
You're almost there
You're almost there
You're almost there
You're almost there

Can you feel the flames?
Can you feel the pain?

Can you feel the heat
headed your way
Can you feel the flames?
Can you feel the pain?
Can you feel the flames, the flames, the flames?

You're almost dead
You're almost there
You're almost dead
