

Deana Carter, How Do I Get There

We've always been the best of friends.
No secrets and no demands, but suddenly from somewhere
Out of the blue, I see a different light around you.
One thing I haven't told you, I just want to hold you
And never let go.
I need to know

How do I get there from here? How do I make you see?
How do I tell you what my heart's been telling me?
Lost in your loving arms, that's where I wanna be.
You know I love you, how do I get there?

You probably think I've lost my mind, taking this chance
Crossing that line. I promise to be truer than true.
Dreamin' every night with these arms around you.
I can't wait any longer. This feeling's getting stronger.
Help me find a way

Chorus

The shortest distance between two points is a
Straight line, but
I'll climb any mountain that you want me to climb
The perfect combination is your heart and mine
Darlin' won't you give me sign?

Chorus
(Fade out)
