

# Death Angel, Bored

[R. Cavestany]

Guilty of no crime  
Not enough yet too much time  
I'm burning in this hell  
Plans to buy and dreams to sell

Sitting by myself  
Living life and loving life  
But something bothers me  
What to do - I can't believe

I'm bored  
Life it's not so fair  
Nothing here and nothing there  
I'm waiting constantly  
It's not the way life's meant to be

Boredom starts to set  
I try so hard but it's all I get  
Keep waiting all the time  
I think I've reached  
The end of the line

I'm bored
