

Death By Stereo, Death Conspiracy

The sound of revolution
The soul, my evolution
I take the test and fail
I take my lumps and wail
It's a conspiracy
Yeah it's inside of me
Life, it's all distorted
But sound, we can record it
The sound of revolution
The soul, my evolution

I can do nothing else
I walk alone and sing to myself
I walk alone in my own personal hell
A place I call home
It's a place I dwell
It's one part of a conspiracy, inside of you and me
Forward, march, move, break
Smash, build, pull, take
Forward, march, move, make
Smash, build, break, state

I can do nothing else
I walk alone sing to myself
I walk around in my own personal hell
Place I call home where I dwell
Foward, march, move, break
Smash, build, pull, take
Forward, march, move, make
Smash, build, break, state

Are you ready for the revolution?
Cause when it comes, what are you gonna do?
Are you just going to sing about it?

Won't block or break the sound
These thoughts are too profound
It's a conspiracy
Yeah it's inside of me
It's a conspiracy
A Death conspiracy
It's a conspiracy
Inside of you and me
I let the hammer fall
I watch it smash them all
Do not ignore the sound
Whether it big or small
The sound of Death breathes life
You can't ignore the signs
It will infect your head
I will inject my finds

Sound, revolution
Sound, revolution
The sound of Death breathes life
Do not ignore my strife
I said I'm Death for life!
