

# Death By Stereo, Death Conspiracy

The sound of revolution  
The soul, my evolution  
I take the test and fail  
I take my lumps and wail  
It's a conspiracy  
Yeah it's inside of me  
Life, it's all distorted  
But sound, we can record it  
The sound of revolution  
The soul, my evolution

I can do nothing else  
I walk alone and sing to myself  
I walk alone in my own personal hell  
A place I call home  
It's a place I dwell  
It's one part of a conspiracy, inside of you and me  
Forward, march, move, break  
Smash, build, pull, take  
Forward, march, move, make  
Smash, build, break, state

I can do nothing else  
I walk alone sing to myself  
I walk around in my own personal hell  
Place I call home where I dwell  
Foward, march, move, break  
Smash, build, pull, take  
Forward, march, move, make  
Smash, build, break, state

Are you ready for the revolution?  
Cause when it comes, what are you gonna do?  
Are you just going to sing about it?

Won't block or break the sound  
These thoughts are too profound  
It's a conspiracy  
Yeah it's inside of me  
It's a conspiracy  
A Death conspiracy  
It's a conspiracy  
Inside of you and me  
I let the hammer fall  
I watch it smash them all  
Do not ignore the sound  
Whether it big or small  
The sound of Death breathes life  
You can't ignore the signs  
It will infect your head  
I will inject my finds

Sound, revolution  
Sound, revolution  
The sound of Death breathes life  
Do not ignore my strife  
I said I'm Death for life!
