

# Death Cab For Cutie, Someday You Will Be Loved

I once knew a girl in the years of my youth  
With eyes like the summer all beauty and truth  
But in the morning I fled left a note and it read  
Someday you will be loved

I cannot pretend that I felt any regret  
'Cause each broken heart will eventually mend  
And as the blood runs red down the needle and thread  
Someday you will be loved

You'll be loved  
You'll be loved  
Like you never have known  
And the memories of me will seem more like bad dreams  
Just a series of blurs like I never occurred  
Someday you will be loved

You may feel alone when you're falling asleep  
And every time tears roll down your cheeks  
But I know your heart belongs to someone you've yet to meet  
And someday you will be loved

You'll be loved  
You'll be loved  
Like you never have known  
And the memories of me will seem more like bad dreams  
Just a series of blurs like I never occurred  
Someday you will be loved

You'll be loved  
You'll be loved  
Like you never have known  
And the memories of me will seem more like bad dreams  
Just a series of blurs like I never occurred  
Someday you will be loved  
And someday you will be loved
