

Death From Above 1979, Dead Womb

(random singing)

So many girls I know
Poison their wombs for sure
I'm sick of all these girls poisoning their...

We're looking for wives
So tired of sluts coming to us
In the club with their cocaine
(Repeat)

I know you think you have it all but
you will never even...

We're looking for wives
So tired of sluts coming to us
In the club with their cocaine

You will never even know
You think you have control
One day we'll lose you all
One day we'll...

We're looking for wives
So tired of sluts coming to us
In the club with their cocaine
(Repeat)

I know you think you have it all but
you will never even...

We're looking for wives
So tired of sluts coming to us
In the club with their cocaine
