

# Death In June, The Rule Of Thirds

Someone dying?  
Scan, doctor, lying?  
Living on borrowed Time?  
Genetic Devine  
This has to stop  
And, it must stop now  
A golden shower  
For that sacred cow

It's The Ides Of March to ignore  
I'm Possessed  
Nine Tenths of The Law  
I'll never repeat  
How others may prey  
I'll direct the Night  
And, We'll Rule The day

The Rule Of Thirds Dictates My Life  
Something, Suffers Somewhere.  
Someone dying?  
Scan, doctor, lying?  
Living on borrowed Time  
Destiny Devine

It's The Ides Of March to ignore  
Live, Love, Die; The Law?  
This has to stop!  
And, it must stop now!  
A golden shower  
For that sacred cow,....

A golden shower
