

Death In June, Their Deception

Paradise and Ministry
Moon beams insanity
Futile in Your Oaths
Thoughtless unbelief

Principled Obscurity
Focus Lost Obscenity
No voice should ever rise
Above the sound of battle

War is deception
Justify the forbidden
Discontent the darkness
It kneels in false homage
It kneels in false homage

What they say is not the issue
What they mean is in their hearts
A good cause should not be delayed
Or, The Sun could change Its mind
What they say is not the issue
What they mean is in their hearts
A good cause should not be delayed
Or, The Sun could change Its mind,....

(Their Deception)

Falsehood and people
Promote the spirit
Of telling The Truth
But, meaning the lie

Anticipate battle
Natural dismissal
When dealing with martyrs
One must keep this in mind

War is deception
Justify the forbidden
Discontent the darkness
It kneels in false homage
It kneels in false homage
It kneels in false homage,....
