

Deathray, Legionnaires In Doubt

underwater in
submarines
navigating these
sleepy machines
under the skies above
on a date
saving ladies from their final fate

and suddenly it's all over
when the cat gets out
put one on every corner
a legionnaire in doubt

moving faster on
life's paper trains
tuning scanners
with electrobrains

and suddenly it's all over
when the cat gets out
there's one on every corner
a legionnaire in doubt

bah bah bah bah
bah bah baahh
bah bah bah bah
bah bah baahh

and suddenly it's all over
when the cat gets out
there's one on every corner
a legionnaire in doubt

and suddenly it's all over
when the cat gets out
there's one on every corner
a legionnaire in doubt
a legionnaire in doubt

ooh...
