

# Debelah Morgan, Baby I Need Your Love

Chorus

Baby I need your love  
Baby I need your love  
Baby I need you to hold me tonight  
Hold me and make everything alright

Verse 1

I get sad when you go  
You told me how this would be  
It's not like I didn't know  
We'd be spending some time apart  
That's OK as long as you  
Don't play with my heart  
'Cause I would walk the desert  
Climb the highest mountain for you  
I would do even more if I could  
I would run through fire  
Or whatever you desire for you  
Baby I need your love

Chorus

Baby I need your love  
Baby I need your love  
Baby I need you to hold me tonight  
Hold me and make everything alright

Verse 2

If you did wrong it would hurt me  
It's painful to think one day you could desert me  
Now don't think I don't trust you  
I'm just making sure you know  
What I feel for you is true  
I would walk the desert  
Climb the highest mountain for you  
I would do even more if I could  
I would run through fire  
Or whatever you desire for you  
Baby I need your love

Chorus

Baby I need your love  
Baby I need your love  
Baby I need you to hold me tonight  
Hold me and make everything alright

I would walk the desert  
Climb the highest mountain for you  
I would do even more if I could  
I would run through fire

Or whatever you desire for you  
Baby I need your love

Chorus

Baby I need your love  
Baby I need your love  
Baby I need you to hold me tonight  
Hold me and make everything alright

Chorus

Baby I need your love  
Baby I need your love  
Baby I need you to hold me tonight  
Hold me and make everything alright

Chorus

Baby I need your love  
Baby I need your love  
Baby I need you to hold me tonight  
Hold me and make everything alright

Chorus

Baby I need your love  
Baby I need your love

Baby I need you to hold me tonight  
Hold me and make everything alright
