

Debelah Morgan, Don't Hurry Back

(Debelah Morgan, Giloh Morgan)

Don't hurry back

I've wasted too much time on you already

You took my love and let my dreams all shatter

No, no

It's 2 o'clock in the morning

I'm awake and alone by the phone

Wondering where you could be

What a fool I've been to me

I think I've finally had it

So if you stay or you go

I don't care anymore

Honey I'm going back to sleep

You're not the person you used to be

So

Don't hurry back

I've wasted too much time on you already

(Don't hurry back)

You took my love and let my dreams all shatter

(Don't hurry back)

No, no

I wake up from dreaming

I've got a smile on my face

It's just me and my place

And I'm not worried where you could be

'Cause the truth has set me free, oh

Spent too much time with you boy

Now it's time to live, I've got so much to give

To someone who wants to give back to me

I rather wonder where he could be

So

Don't hurry baby

I've wasted too much time on you already

(Don't hurry back)

You took my love and let my dreams all shatter

(Don't hurry back)

No, no

I'm not waiting for you to come

Not anticipating for you to do right at all, oh no

Man you drive me crazy

You don't love me very much

So boy don't you hurry

There's no need to rush

So

Don't hurry back

I've wasted too much time on you already

(Don't hurry back)

You took my love and let my dreams all shatter

(Don't hurry back)

No, no

(Don't hurry back)

Don't you hurry, hurry back

I've wasted too much time

(Don't hurry back)

oh yeah yeah yeah yeah yeah

You took my love and let my dreams all shatter

(Don't hurry back)

No, no

Don't hurry baby

I've wasted too much time on you already

(Don't hurry back)

You took my love and let my dreams all shatter

(Don't hurry back)

Oh yes you did

No, no
Don't you hurry, no no
(Don't hurry back)
